Dear Supervisors:

**HIGHWAYS-THROUGH-CITIES
CORRAL CANYON ROAD LANDSLIDE REPAIR
CITY OF MALIBU
RESOLUTION NO. 3885
SUPERVISORIAL DISTRICT 3
4 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Consider the Notice of Exemption for the Corral Canyon Road landslide repair project filed with the County Clerk by the City of Malibu on May 4, 2004; find that the project is exempt from the California Environmental Quality Act; and that these actions reflect the independent judgment of the County.
2. Adopt the enclosed Resolution finding that the improvement of Corral Canyon Road, within the City of Malibu, is of general County interest and providing that County-aid shall be extended to the City of Malibu in the amount of \$100,000 from the Third Supervisorial District's Road Construction Program.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The City of Malibu is proceeding with a project to repair storm-related damage to Corral Canyon Road, which is located entirely within the City. Your Board's adoption of the enclosed resolution will authorize the expenditure of the County's Highways-Through-Cities funds in the City of Malibu for this purpose.

Sections 1680-1683 of the California Streets and Highways Code provide that the board of supervisors of any county may, by a resolution adopted by a four-fifths vote of its members, determine that certain types of road improvements on specified streets are of general county interest and that county-aid shall be extended therefore. County-aid may be provided in the form of labor, equipment, and materials or a direct payment to the City.

Implementation of Strategic Plan Goals

This action is consistent with the County's Strategic Plan Goal of Service Excellence as it provides funding for the improvement of a roadway that will benefit the general motoring public.

FISCAL IMPACT/FINANCING

The total project cost is estimated to be \$800,000 of which \$600,000 will be financed by the State, \$100,000 by the County, and the remaining \$100,000 by the City of Malibu.

Funding for this project is available from the Third Supervisorial District's Road Construction Program included in the Fiscal Year 2003-04 Road Fund budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The enclosed Resolution has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The California Environmental Quality Act requires public agency decision makers to document and consider the environmental implications of their actions. A Notice of Exemption for the Corral Canyon Road project was prepared by the City of Malibu and filed with the County Clerk on May 4, 2004. The recommended findings are in accordance with the California Environmental Quality Act and are required prior to your Board's approval of the Resolution.

Upon adoption of this Resolution, please return one certified copy of this letter for transmittal to the City.

Respectfully submitted,
